

RC12 Brief ZOOM held September 17, 2020 7:00

Attendees: Stacey Caruso-Sharpe, Cathy Picciocca, Sue Proctors, Margaret Dafeldecker, Jennifer Shaad-Derby, Jeanne Bennett, Kathy Lyman, Theresa Kovian

Stacey called the meeting to order. She had spoken to Peter Kim and the first order of business was to obtain volunteers for the November 3 election regarding phone banks and/or postcards. A training will be held on September 21 at 5:30. Handwritten postcards will include NYSUT endorsements. Instructions will be provided. After writing an assigned number of postcards, they will be returned to be mailed. Jeanne(100), Theresa(50), Sue(50), Cathy(50), and Margaret(50) volunteered to write postcards. Margaret also volunteered to help with the phone bank. Jennifer will be working on Tendra Cobb campaign.

Stacey tried to get the Outlook printed to connect with our membership regarding October 6 RC12 meeting on ZOOM. Since we have officers in RC12, NYSUT is not available to help. Stacey and Jennifer will be attending AFT Action Network Workshop so a connection using emails and possibly text messages will be available through NYSUT. A letter head, brief mission statement, and possible listing of officers were agreed upon.

The October 6 RC12 meeting on ZOOM will open at 9:15. Ron Gross, Second Vice President will be speaking at 10:45, Peter Kim, Regional Political Organization (RPO) will speak at 11:15.

Retirees from outside our group can join RC12 by filling out a form. We are very willing to have retirees join our council.

StateWide Convention will be held on October 13, 14, 15. Cathy, Kathy, Margaret, Jeanne and Stacey are individual members so there's room for others to attend. If interested reach out to Dolores so she can send in the registration form.

Future Meetings:

General Membership Meeting October 6 ...ZOOM

Executive Board November 17...ZOOM

March 16 General Membership Meeting will be held at the Holiday Inn in Johnstown

RC12/Regional Meeting May 12...Glen Sanders

Respectfully submitted,

Cathy Picciocca
