

NYSUT RC12 Day Trip to Glimmerglass

Monday, July 27, 2026

\$139 per ticket—checks payable to NYSUT RC12

Join your fellow RC12 members for a 1 p.m. matinee performance of ***Oklahoma!*** at the Glimmerglass Alice Busch Opera Theater. All seats are on the main floor in Row D! This is a drive-yourself trip. Come early: food concessions and picnic tables are available.

Rodgers & Hammerstein's beloved musical *Oklahoma!* returns to Glimmerglass in a bold new production directed by Francesca Zambello and conducted by James Lowe. Set on the cusp of statehood, *Oklahoma!* celebrates the dreams and complexities of settlers forging new lives on the frontier. The fresh staging evokes both the grandeur of the American landscape and the optimism of the artists who created the work as World War II raged. *Oklahoma!* is many things: a landmark of musical theater, a grand love story, and an invitation to reflect on the promise of America.
